QUALITY POLICY STATEMENT_ ACHARYA SCHOOL OF DESIGN

Acharya School of Design is dedicated to upholding a commitment to excellence in design education, in alignment with our visionary aspirations and mission. We aspire to be a premier institution for design education, nurturing student's creativity, innovation, and ethical values to address complex challenges in a dynamic world. Our relentless pursuit of these ideals is embedded in the following quality policy:

- **Student-Centric Excellence:** We are unwavering in our dedication to providing a dynamic and inclusive learning environment that revolves around our students. Their growth, well-being, and holistic development are at the core of our educational endeavours.
- **Innovation and Creativity:** We foster an atmosphere encouraging creativity, innovation, and critical thinking. Our aim is to equip our students with the skills and mind-set necessary to thrive in a rapidly evolving design industry.
- **Ethical Values:** Our commitment to ethical values is non-negotiable. We instil in our students the importance of ethical conduct in all aspects of their work, promoting a culture of responsibility and integrity.
- **Diversity and Inclusivity:** We embrace diversity and inclusivity in all our actions. Our community of designers, faculty, and industry partners is inclusive and welcoming, providing a platform for varied perspectives and experiences.
- **Sustainability:** We recognize our responsibility to the environment and society. Sustainable design education and practices are integral to our mission. We are dedicated to promoting sustainability in our curriculum and operations.
- **Collaboration and Social Relevance:** Collaboration is the cornerstone of our approach. We actively engage with industry partners and the community to ensure our educational programs remain relevant and responsive to real-world challenges.
- **Continuous Improvement:** We are committed to a culture of continuous improvement. Regular reviews and assessments of our educational practices, based on our vision and mission, are essential for our growth and evolution.
- **Contribution to Society:** Our ultimate aim is to contribute to the betterment of society through design. We encourage our students, faculty, and staff to apply their knowledge and skills to create meaningful solutions for complex societal challenges.
